Chamber of Commerce Banquet Tuesday

PROGRAM TO BE UNUSUAL FOR MEETING

Little Talking, But a Splendid Play Is Offered

200 ARE EXPECTED

McCarty of Dalhart to Respond to Welcome of Hill

From indications the banquet of the Chamber of Commerce next Tuesday night will be the largest gathering of its kind ever held in Canyon. Two hundred tickets are expected to be sold before the end of the week, which will be the limit in seating capacity of the cafeteria.

An unusual program has been arranged for the evening. In the first place, there will be very little oratory, which usually accompanies Chamber of Commerce gatherings. Only two short talks are scheduled for the program. Dr. J. A. Hill will extend greetings to the visitors, and John L. McCarty, editor of the Dalhart Texan, will make the response. About twenty out of town guests are expected to be here.

The Canyon Rotary Club will not hold the usual noon luncheon next Tuesday, but will join with the Chamber of Commerce in this annual banquet Tuesday night.

Following the banquet and short program in the cafeteria, the crowd will move to the auditorium where the Panhandle Players will present the two act tragedy, "The Birthright." This is one of the best plays that has been presented by this group of popular players, under the direction of C. W. Batchelder.

The following are members of the cast:

Bat Morrissey, Charles Donnell.

Eastwood Sentence Is Reduced by Order of Governor

The penitentiary sentence of Melvin Eastwood has been reduced by Governor Ferguson from 7 to 2 years, according to information received from Austin. Eastwood was sent to the penitentiary at the last term of the District Court when he pleaded guilty to the theft of a car.

A petition was recently filed with the Governor asking for his pardon, but the sentence was reduced.

Kingsley Talked Tuesday Before Geographic Group

Major E. A. Kingsley, superintendent of the Palo Duro State Park, was the guest speaker Tuesday at the Texas Geographic Society meeting in Dallas. Major Kingsley described the Palo Duro canyon, and together with Tommie Elliston, presented pictures of the Palo Duro State Park, and the work which was under way at the Park.

Victor H. Schoffelmayer of the Dallas News is president of this Society and invited Major Kingsley to this meeting. Mr. Schoffelmayer had planned a trip to the Palo Duro for Thanksgiving, but was forced to postpone the trip until spring.

Senator J. W. Reid returned Monday from Mineral Wells where he has spent a month with his family.

W. J. Wooten was a business caller in Dallas on Monday.

GOOD RAIN COVERS ALL PARTS RANDALL COUNTY

Term District Court Opened On Monday

Seven Indictments Are Returned by Grand Jury

The January term of District Court opened Monday with Judge E. C. Nelson presiding for his first time as District Judge.

The grand jury was empaneled and set to work investigating law infractions in the county, under the direction of District Attorney Grady Hazlewood, Assistant District Attorney Bob Underwood and County Attorney J. D. Barker. The members of the grand jury are: R. B. Gist, foreman, P. H. Baber, J. G. Batenhorst, D. S. Hill, W. W. Kuehn, Wilson Campbell, George Mason, Oscar Hunt, W. G. Rose, R. E. Ball, G. W. Cox, and M. C. Sanders.

Seven indictments have been returned by the grand jury. It is likely that several of these cases will be tried during this term of court.

The petit jury was dismissed Monday for the week as no civil cases were ready for trial.

The following non-jury cases were passed upon:

J. E. Nunn vs. J. L. Roddey, Judgment for plaintiff.

First National Bank in Canyon vs. A. Holmes, judgment for plaintiff.

Floyd S. Watkins vs. Lillian Watkins, divorce granted the plaintiff.

Goodnight Trail Work Completed; Topping in April

All work on the Goodnight Trail was completed Friday until a contract may be let for the topping in April.

The men who have been engaged on the Goodnight Trail were laid off as no further relief work was ready for them. Two projects had been submitted several weeks ago but neither had formally been approved at Austin so that work could get underway as soon as the Goodnight Trail was released.

Topping of the Trail has been approved by both the State Highway Commission and the Board of Public Roads so that it is certain the work will be done as early in the spring as possible. It is usual to begin topping in the Panhandle in April. The Trail is in excellent shape now, the caliche base being covered with an inch of dirt to hold it through the winter. This dirt was well wet down as it was placed on the base, and the rain of Sunday added very greatly to the sealing facilities of the dirt topping.

Relief Men Idle As No Work Set Up For Laborers

All men on relief rolls have been idle this week since no projects are available for them.

The highway job which was requested several weeks ago has not yet been approved, but it is thought certain that something definite will be received today.

The project at W. T. was approved Monday, but is held up owing to a change recommended in the wage scale by the district engineer.

Henry Bradford left Thursday for Floydada where he will spend a few days, and then accompany his daughter, Mrs. Lon Davis, to Mineral Wells where they will spend a month.

Saturday's Crowd Is Increased For Merchants Offers

A larger crowd gathered in Canyon Saturday afternoon at 3:00 o'clock for the regular Saturday feature of the Chamber of Commerce which is participated in by more than 60 business and professional firms of Canyon.

J. H. Cox, Jr., president of the Chamber of Commerce, was assisted by J. J. Bauer, J. W. Shook and E. Gidden in the distribution of offerings to those who patronize local firms. Those profiting were: Luther Archer, Miss Belle Schramm, Mrs. Chas. Stratton, Owen Williams, T. E. Rusk, W. H. Upchurch, Marielle Oldham, E. A. Michael and Mrs. Wallace Clark.

Former Citizens Observe 55th Anniversary in Calif.

Mr. and Mrs. George A. Brandon celebrated their 55th wedding anniversary at Alhambra, Calif., on January 6th. They will be remembered by many Canyon friends.

Mr. Brandon was an attorney in this city more than 30 years ago, and was publisher of The News for many years selling it to C. O. Keiser in 1908. The family moved to California about 20 years ago.

Both Mr. and Mrs. Brandon are reported by friends to be enjoying excellent health, which is good news to their many friends in Canyon.

Miss Evelyn Boyce left last Friday morning for Duncan, Oklahoma to visit friends and relatives there. She plans to be gone a month or six weeks.

Mrs. Joe Foster of Vernon spent Sunday in the S. B. McClure home.

AID TO WHEAT

Warm Spring Weather Is Enjoyed in This Section

January rain, followed by warm, spring-like weather, brought a distinct and pleasant surprise to people of the Panhandle Sunday night and Monday.

Following an almost perfect day Sunday, clouds were noted to be gathering in the southwest early in the evening, accompanied by flashes of lightning. Both facts were unusual for the month of January. By 7:30 rain had started falling, and showers continued until early in the morning, bringing .58 of an inch moisture. Monday was as warm and clear as an April Day.

Clouds gathered in the north-west Monday afternoon, and another rain fell in sections of the Panhandle, but only a light sprinkle of .03 of an inch came as far south as Canyon.

The weather has continued warm, and fair throughout the rest of the week.

Wheat farmers are elated with this moisture, which came most unexpectedly. This is more rainfall than has fallen in January and February of either 1933 or 1934. Wheat has started in very fine growth in most sections of the county, and this moisture is sufficient to cause a rapid growth of the wheat.

KUEHN SAYS THAT HIS WHEAT IS GOOD

W. W. Kuehn states that his wheat is the best it has been for several years. The rain in the southeast part of the county was better than it was in Canyon, and the wheat is showing fine, states Mr. Kuehn.

Mrs. Pat Whittington and daughter, Jean, arrived Wednesday morning from Longview to visit in the parental N. E. McIntire home.

Farm Loan Has Meeting Tuesday Elect Officers

Thirty-four members of the Canyon National Farm Loan Association gathered at the court house Tuesday to hear the annual report of G. G. Foster, secretary-treasurer, and to elect directors for the coming year.

The following directors were named: J. P. Hix, J. B. Fox, J. W. McCrerey, A. E. Brown and M. H. Rockwell.

From this group of directors, J. P. Hix was elected president and J. B. Fox was named vice president. G. G. Foster continues as secretary-treasurer of the organization.

Two Eggs Placed in Window Attract Much Attention

Two eggs were placed in the show window of The News this week which caused considerable attention. The eggs are from the flock of Mrs. Oscar Hunt, whose flock has become famous in the Panhandle shows where she has exhibited her chickens.

The two eggs have been called Democratic and Republican eggs. The Democratic egg shows the generosity of the present administration by its unusual size, measuring 7 1/4 inches in circumference and weighing almost a quarter of a pound. The Republican egg is almost black. Mrs. Hunt discovered this egg just after it was laid, and wonders why it is so black. She attempted to wash it clean, and also picked at the shell, but whatever coating there is failed to come off.

County Agent W. H. Upchurch returned yesterday from a business trip to College Station.

\$2,300 Jump Made Over Receipts of 1933 in Office

Postal receipts in Canyon increased \$2,385.66 during the year 1934 over the figures of 1933. Each quarter of the past year showed a comfortable increase over that of the corresponding date of 1933. The total percentage of increase was 15 1/4% which is considered a very healthy growth for the town.

The receipts of the past year places Canyon in the class with those towns which are receiving post office buildings, and an effort will be made during the coming year to see if such a building cannot be secured for Canyon.

The following is a comparison by quarters of the postal receipts for the past two years:

| | 1933 | 1934 |
|----------------|-------------|-------------|
| First quarter | \$ 3,490.03 | \$ 4,327.59 |
| Second quarter | 3,431.24 | 4,424.74 |
| Third quarter | 3,593.05 | 3,985.02 |
| Fourth quarter | 4,882.98 | 4,955.61 |
| Total | \$15,307.30 | \$17,692.96 |

Work on Cabins in Palo Duro Is Started Monday

Work was started Monday on the first cabins in the Palo Duro State Park, states Major E. A. Kingsley. Approval was received for the erection of the first unit of five cabins at the cow camp at the lower end of the Park. Request has been made for other cabins, and it is expected that the National Park Service will approve the erection of these cabins before the first five are completed.

Work is also under way on 25 picnic units, which consists of clearings for ovens, tables, and other conveniences for picnic parties.

Major Kingsley states that both companies received additional CCC men on the first of the month which brings both up to full strength.

All phases of work at the Park is progressing very nicely. The open winter weather has not hampered the men in any lines of activities.

Bank Re-Elects Directors And Officers Tuesday

Stockholders of the First National Bank held their annual meeting Tuesday, receiving the annual statement of the officers for the past year, and electing directors to serve during the coming year.

Directors who were re-elected were: J. W. Reid, Oscar Hunt, Clyde W. Warwick, R. H. Wright, Grady Oldham, W. C. Black and L. W. Cole.

The directors met and organized by re-electing the same officers who have been serving since the merger of the two banks last month.

FARMERS GET CHECKS 1933-4 WHEAT PLAN

Few More Checks Yet to Come to Complete Payment

HOG MONEY NEXT

Checks Being Distributed to Wheat Growers of County

Wheat checks in the amount of \$60,192.53 were received Monday and Tuesday, and are now being distributed to the farmers of the county.

The checks are in payment for the last allotment of 1933 due the farmers, and for 1934.

Not all of the wheat allotment checks have been received, but it is believed that a greater part of the wheat money due the county has been included in the payments which have been made.

A large number of farmers have been to the office of County Agent W. H. Upchurch to receive their checks which were in these shipments.

It had been hoped that all money due the farmers would be paid before Christmas, but owing to the immense amount of work in Washington in connection with farm relief work, checks have been delayed.

Another batch of checks on the last payment of the hog allotment is expected in the near future. Mr. Upchurch hopes that all money due the farmers will be paid during the month, but has no way of telling when the checks will be received.

Man Indicted With Charge Robbing Local Bank in 1931

An indictment was returned Monday against Virgil Johnson, now being held in jail at Joplin, Mo., charging him with robbing the First National Bank in January, 1931. A requisition was requested Monday of Governor Ferguson for the return of the man for trial at the present term of the District Court.

Johnson was arrested last week in Joplin, and Sheriff Bob Barnett was notified. Owing to the meeting of the grand jury this week, local officers asked that Johnson be retained in Joplin for formal action. He refused to return to Canyon to face the charges without a requisition from the Governor.

Johnson is one of four who have been named as robbers of the local bank. Jim Thomas is serving a 25-year term in Lincoln, Nebraska, while Jim Crayton is serving a life sentence at Jefferson City, Mo. Another man is known to have had a part in the robbery.

The trial will renew the history (Continued on last page)

The legislature convening Tuesday will have the largest problems that have ever confronted a law-making body in Texas. The immediate problem of relief is such that some plan must be worked out, since the federal government will refuse to give direct relief after the first of February. The News has been of the opinion for many months that the relief question has been tackled from the wrong angle. If relief had remained with the counties, the relief rolls would not have grown to such an extent, and the taxpayers would never have been burdened as they will be in paying off the \$20,000,000 bond issue. As the relief has been handled, a huge organization in Austin has directed relief at a terrible expense to the people, and has not accomplished half the results as could have been obtained with local people passing upon the merits of relief cases. There are some things in which centralized authority is necessary, but from observation and actually working with the thing, we are inclined to believe that the relief problem can be handled much more successfully locally than through a state agency.

President Roosevelt made an impressive talk to Congress, and the nation, at the opening of Congress last Thursday. While not stating definitely his various plans for recovery, he told the lawmaking body enough to lead them to believe that he will hand them plenty of work in an orderly manner to carry out the plans which he has devised for the complete recovery of the nation. Old age and unemployment pensions are two of the plans. And the President did not fail to make it plain that those with wealth would have to pay the bill. Resources of the great middle class have largely vanished during the past five years of depression. There are still a few with extraordinary wealth, and the burden

of recovery will rest upon their shoulders. The President's talk was accepted by the nation in a most cheerful mood. There is genuine feeling that the worst has been passed, and that with favorable weather conditions during 1935, great strides will be made toward normalcy.

It is reported that Judge Ely will not be re-appointed by Governor Allred, and that none of the many applicants from the Panhandle will have a chance at the job. This is unfortunate. An unnecessary and unfair fight was made upon Judge Ely by those in the Panhandle who thought they had a chance to place one of half a dozen men on the Highway Commission. While it may be that it was the Panhandle vote which elected Mr. Allred, he would not be human if he did not consider it his duty to give the political plums to those who stayed with him through two hot campaigns. West Texas will lose a real friend when Judge Ely goes off the commission—regardless of what may have been said about him for the purpose of trying to secure the appointment for some other man.

Governor-elect James V. Allred is preparing his inaugural address for next Tuesday when he will tell the legislature of his plans to get the state out of the red, and pay running expenses. He realizes that new sources of income must be raised in order to do this. He has expressed opposition to the sales tax, and is opposed to adding additional burdens on real estate. It is likely that increased taxes on oil, sulphur and corporations will be recommended by the incoming governor, together with the income and chain store tax. Such suggestions will be bitterly opposed, both in the legislature, and by the companies which are singled out for taxation. There will be plenty of hot times under the big dome at Austin throughout this session of the legislature.

January starts off with a bang, as the result of the splendid rains. More rain has fallen than during the months of January and February of either 1934 or 1933. While the wheat stand is not uniform over the county, yet there is a considerable amount of wheat in all sections, and the growth should be fine following the January moisture. With a favorable spring, the Panhandle will resume its usual prosperity in much faster proportion than other sections of the United States.

Echoes of the campaign last summer, Clint Small was ridiculed by the Allred group for his fight on race horse gambling and open saloons. Now the Governor-elect has called Senator Small to assist in passing a bill to abolish the evils of race horse gambling; and the Senate investigating committee finds that drug stores in many cities of Texas are selling liquor wide open, while open saloons are operated in many places under federal license.

Many people in Texas may not agree with the policies of Governor-elect James V. Allred, but practically all citizens will thank God that after 12:00 o'clock noon on January 15th the criminals of this state will stay in the penitentiary where they belong rather than be turned loose by the whole sale. It is about time that society get the breaks by being protected from the criminal element.

Quanah Tribune-Chief: The city of Slaton is only sixteen miles from Lubbock, and most of its trade was going to the big city. Finally it dawned upon the people that something ought to be done, and everybody signed up a contract promising to trade at home hereafter. They lived up to it, too, and at present Slaton is again one of the liveliest towns upon the Plains.

Nothing will kill a town quicker than for its citizens to do their trading at a neighboring city: nothing will build a town faster

than for all the people to trade at home. If there is any one thing which Canyon needs during 1935 it is for all Randall county citizens to do their trading in Canyon.

This is a time of more leisure. Think of that when you start out driving like mad on the crowded streets or highways. One person is killed by car accidents every 30 seconds; while two others are injured in that same time. Who knows that you will not be the next unfortunate victim?

It is beginning to dawn on the poor devils who are cannon fodder that the call to arms is not always for patriotic reasons, but too often to enhance the millions of munition manufacturers. Conscripting wealth and munitions will cause wars to cease.

No. 14090
Treasury Department
Office of Comptroller of the Currency

Washington, D. C., April 4, 1934.
Whereas, by satisfactory evidence presented to the undersigned, it has been made to appear that "THE FIRST NATIONAL BANK IN CANYON" in the town of Canyon in the County of Randall and State of Texas has complied with

all the provisions of the Statutes of the United States, required to be complied with before an association shall be authorized to commence business of Banking;

Now therefore, I, J. F. T. O'Connor, Comptroller of the Currency, do hereby certify that "THE FIRST NATIONAL BANK IN CANYON" in the Town of Canyon in the County of Randall and State of Texas is authorized to commence the business of Banking as provided in Section Fifty one hundred and sixty nine of the Revised Statutes of the United States.

In testimony whereof witness my hand and Seal of office this 4th day of April, 1934.

(SEAL) J. F. T. O'Connor,
Comptroller of the Currency.

NOTICE
TO ALL DEPOSITORS, CREDITORS AND STOCKHOLDERS OF THE FIRST STATE BANK OF CANYON:

Notice is hereby given that by resolution adopted at a Stockholders' Meeting on December 8, 1934, the stockholders of The First State Bank of Canyon, Canyon, Texas, unanimously voted to close the business of said Bank and place it

in voluntary liquidation as of the close of business of said date.

In the course of such voluntary liquidation, said Bank is ready to forthwith pay all sums due its depositors and creditors, and after the payment of such liabilities to liquidate and distribute the remaining assets of said Bank to its stockholders ratably, and then to file a certificate surrendering the corporate franchise of said Bank, as required by law.

All depositors of this bank are hereby notified and requested to come forward promptly and claim the moneys due them on deposit, and all other creditors of the Bank are hereby notified and requested to promptly present their claims and accounts for settlement and payment. We desire to promptly liquidate all liabilities to depositors and creditors, and your co-operation is requested.

Witness our hands this 8th day of December, 1934.

JOHN RANKIN WAS ELECTED NEXT FOOTBALL CAPTAIN

COACHES AND FOOTBALL BOYS CHOOSE CAGLE TEAGUE AS MOST VALUABLE MAN ON THE TEAM.

At a banquet last Thursday night honoring the West Texas Buffaloes and Yearlings of 1934, John Rankin, 175 pound guard from Miami, was elected by the lettermen to captain the 1935 Buffaloes.

Last year Rankin was a squadman, and lacking experience did not play enough to letter. However without a word of complaint,

although he had worked hard in the face of injuries, Rankin went back to work, and with his unceasing efforts improved so much that in the Spring training period he won a medal as the most improved and best blocking guard. This season as he gained experience with each game, Rankin's work both on defense and offense began to demand the limelight more and more. His stellar game was in Atchison against the St. Benedict's Ravens when he played most of the game in the Raven's backfield, and in all of the closing games Rankin played his position with the skill and ability of a veteran.

The selection of Rankin by his teammates was commended by the coaches because in his senior year Rankin will be an all-around leader in ability, attitude, and work. At the same time Cagle Teague, 183 pound fullback from Childress, was selected as the most valuable man to the Buffaloes of 1934 and awarded a huge trophy on the basis of ability, hard work, attitude, leadership, and scholarship. This award marked the reward of three years of service on the part of Teague.

C. H. Jarrett, R. A. Burnett, Chanslor Weymouth, Dr. H. A. Brown, Hershel Jennings, C. R. Burrow, R. P. Jarrett, Harris M. Cook, Gene Whitman, Cleve Jones, Dr. R. A. Neblett, John Hill, Davis Hill, Clyde Warwick, R. A. Terrell, T. B. McCarter, W. E. Lockhart, Travis Shaw, and P. E. Savage were guests at the banquet as well as Coaches Al Baggett, Bob Cox and Mitchell Jones.

In attendance were the entire varsity and freshman football squads of 1934. After a few short speeches some moving pictures were shown by Travis Shaw, of the West Texas Homecoming and of several of the Buffalo football games.

Men who were recommended by Coach Baggett for varsity letters due to their work in 1934 provided they meet the scholastic requirements were:

Bill Allen, Stina Cain, Ezell Champion, Jack Davis, Jimmie Holston, Emil Hutto, Leo Jackson, Vernon Johnson, John Lee, Clinton Meek, John Rankin (captain-elect), Cagle Teague, R. M. Thompson, Frank Van Noy, John Walker (captain), R. D. Wheelock, and Gerald Brown, student manager.

Library Committee Named for Charge During Year 1935

The second stage in the development of a public library for Canyon and Randall county was reached on Jan. 1, and the committee which had the development of the library in charge during 1934 turned over the direction of library affairs to a new committee on Jan. 3.

The 1934 committee had as its chairman Mrs. S. L. Ingham, a charter member of the Womens Book Club, which for more than twenty-five years has been working toward a library for the people of this vicinity. Other members of the library and financial committee were Mrs. I. C. Jenkins, and Mrs. C. R. Burrow, also charter members of the Womens Book Club. Mrs. Dan K. Usery, Mrs. T. H. Knighton, Miss Tennessee Ma-

lone, Mrs. W. E. Miller, president of the Junior Womens Club, Mrs. T. V. Reeves, Mrs. Carl Scott, Mrs. Harry Wood, and Clyde W. Warwick who represents the city. The commissioners' court will appoint one of their number to be a member of the board.

The library which is located in the county court house is not yet a county library. This being the case and since there are less than 2,000 volumes in the library it has been deemed advisable to lend only one book to a person at one time.

Persons who damage books must pay for the repair before other books will be loaned to them.

A few volumes are being added to the library each week and about 50 persons are using the library daily according to the report of Miss Fannie Malone, the librarian.

In order that you may realize the benefits derived from the standard milk ordinance and the progress that has been made since the ordinance has been in force in the City of Canyon, the City Commission and Health Department are printing the bacteria counts on samples of milk taken one year ago. A majority of these dairies are not in operation now, but for the few that are, this month's report shows a decided improvement.

The City of Canyon is one of the thirteen towns in the state with a rating of more than ninety, as given by U. S. Public Health Service. This has been made possible by the co-operation of the consuming public, for which the Health Department wishes to thank you.

GASOLINE

The lower the mercury drops, the more you'll like Special Winter-Blend Conoco Bronze Gasoline. **EXTRA HIGH TEST!** It gives an explosive mixture at 50° below zero. It starts at any temperature at which the starter will crank the motor. **LESS CHOKING!** After a short warm-up, you can pick up smoothly, without using the choke! **SAVE MONEY!** Save your battery. Get more mileage. Drive into your Conoco dealer's today and try a tankful. You are going to like it! **CONTINENTAL OIL COMPANY — Established 1875**

**INSTANT STARTING
LIGHTNING PICK-UP**

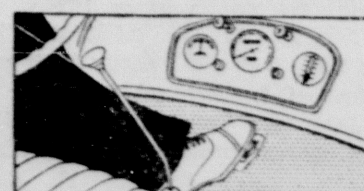

TRY THIS BETTER WAY OF STARTING YOUR CAR IN EXTREMELY COLD WEATHER

Automobile makers recommend this method of starting in cold weather, except for cars with automatic starters. Try it for a quick, easy start without danger of "flooding" by too much choking.

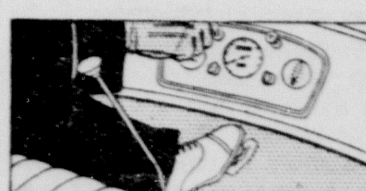

*If your motor does not start instantly on Special Winter-Blend Conoco Bronze Gasoline, it needs mechanical service.

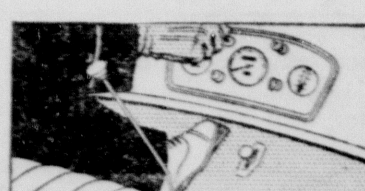

1. Leave ignition OFF. Pull choke out all the way. Push down your clutch pedal and keep it down.

2. Open hand-throttle one-third. Leaving ignition OFF, step on starter for several motor revolutions.

3. Push choke back in. Turn ignition on. Step on starter. Motor should fire instantly.*

4. Warm up motor gradually. Use choke sparingly, only enough to get smooth firing.

I'm still existin', but I never tho' I wuld, after that long ride to Lubbock to see Miss Goodrich. Me 'n Israfel started out one mornin' about daylight an' we got to the city bout wun o'clock while it wuz already dark in the nite.

Now, wunt I want for all uv ye ta do is jes drop Miss Goodrich a card er letter and let er know ya appreciate her. All the time I know she'd be proud ta heer from ya. By the way, that's an idee. Write her lots uv sweet letters 'n when she comes home maybe she'll give ya A's.

I got acquainted with a new gal up at schule the other day. She ain't startin' ta schule er nothin' lak that, she's jes visitin' Polly. She's from Panhandle, 'n her names Trucilla (a beautiful name), an she ain't no bigger'n' Pee Wee. She went with Pee Wee's bow the other night an' Pee Wee wuz skeered ta jump onta her fer it.

Here's a tip for all uv ye kids—Mr. Carruth hez made a new year's resolution not ta fergit sa much, so if he's forgot ta spank ya oncet er twicet fer playin' hooky, well ye can jest bet he won't do it no more. So my advise is thet ya jes better watch out.

Miss Angel hez made a new years resolution ta allus look purty. Les watch an' see if she dose. Mr. Pope hez revolutionized ta not punish no more kids fer chewin' gum. He sez it's good fer the gums an' makes yer teeth purty. O yes, 'n Mr. Fox hez made a resolution ta allus be sweet an' not kick more'n a half dozen kids out uv class per week.

LAUGH! IT WILL SAVE YOU A DOCTOR'S BILL

Laughter induces a mental exhilaration.

The habit of frequent and hearty laughter will not only save you many a doctor's bill but will also save you years of your life.

There is good philosophy as well as good health in the maxim, "Laugh and grow fat."

Laughter is a foe to pain and disease, and a cure for the "blues," melancholy and worry.

Laughter is contagious. Be cheerful, and you make everybody happy.—From Pungent Paragraphs.

CHARACTER OF HONEST MAN

George Washington, the father of our country, once made a statement that can be applied to every one.

The statement is as follows: "I hope I shall always possess Firmness and Virtue enough to maintain what I consider the most enviable of all titles—the character of an 'honest man.'" George Washington attained his desire.

Have you enough will-power enough determination, and enough ambition, to follow the advice of this famous man?

GUESS WHO

He's six feet tall, cut off at the knees;

He gets along with the greatest of ease.

His school mates, his comrades, his teachers, all three,

He's a "muscle bound hero," it is plain to see.

Eagles and Eaglettes Play Groom Fri. and Tulia Sat.

Friday night, Jan. 4, both the boys and the girls teams merged victorious over the Groom High School teams in their first tilt of the season's schedule; the girls won another game on Saturday night from the Tulia girls, but the boys were not so fortunate against the Hornets.

Both Defeat Groom

The Eaglettes fought faithfully for the purple and white last Friday night against the Groom High School girls to emerge victors with the final score standing 23 to 19.

The Groom girls kept the Eaglettes busy throughout the game and the score was very close from start to finish. The Eaglette forwards showed an excellent eye for the basket and in the last minutes of play they were able to score the counters that decided the victory for Canyon.

Both teams, the Eagles and the Groom Tigers, showed a stronger defense than offense, but it seemed that that night was both teams' off night, as neither team could find the basket.

Play Extra Period

The Eagles took the lead early in the game and managed to keep it until near the final whistle when the Tigers tied the score. As a result an extra period of three minutes was played. Solomon accounted for the only basket during the period of play which brought the Eagles out of the game victorious over the Tigers. The score 11-9.

Girls Defeat Tulia

At Tulia Saturday night, the girls' game was a thriller from start to finish as the teams were very evenly matched. Early in the game the Tulia girls took the lead, but both teams seemed determined to win. Late in the second half the Eaglettes took the lead and the guards showed a great defense while they fought earnestly to keep the Tulia sextet from scoring. All the players were stars and all deserve the honor of winning the game because of their accurate and speedy passing which brought them to victory with the final score 22 to 19.

The first half of the Eagle-Hornet tilt was very close, ending 10 to 10, and it seemed to be anyone's ball game, but the Hornets entered the game after the half and led the score for the remainder of the game. The substitution of Vandergriff and Butler late in the second quarter seemed to start things rolling for the Hornets. Vandergriff and Buchanan tied for high point honors with eight points each. The game ended with the score standing, Tulia 27, Canyon 15.

"Etiquette Junior" Is Reviewed

One of the new books recently acquired in the library is "Etiquette Jr." The authors of the book are Mary E. Clark and Margery Closely Quigley. They also wrote "The Poppy Seed Cakes."

"Etiquette Jr." gives manners for all occasions including: table manners, introductions, dances, clothing to wear when and where, how to conduct one's self on the street and conduct a tea. The house guest's action are stressed while the correct conduct of the hostess is also emphasized.

Letters and Invitations

Since letters and invitations are so important, the authors give a set rule for each division of the two things just named. In regard to conversation, be careful into what channels it turns. Be conservative. Be a good listener instead of a heavy talker.

Manners at Home

"At home" is another chapter vividly discussed by the authors. Be just as careful of your manners at home as out in company. Manners in theaters and other public buildings are also explained in very simple phraseology.

Conduct at School

Each part of school life is explained in detail according to correct conduct of both teacher and student. Also, if one has a job, the best of manners should be used, as given in "Etiquette Jr."

Etiquette in Traveling

When one is traveling, one should know correct, concise manners and practice them to the best of his ability. Manners to be used in the restaurants are explained minutely, and the authors bring "Etiquette Jr." to a climax with "Needless to Say," a chapter giving correct manners on all trivial things not discussed before.

Scotch Society of Amarillo Will Give Assembly Program

The Scotch Society of Amarillo will have charge of the assembly program next Thursday at 3:00 o'clock.

The Scotch Society is composed of people from Scotland or descendants of Scottish people. The purpose of the society is to promote better understanding between the people of America and the people of Scotland.

The program will consist of Scottish songs, poetry, and music. The public is invited to attend.

Capricorn Rules January Births

The first birthday of 1935 in Canyon High School was that of Billie Bewley, whose birthday was on the first day of the year.

Billie, along with Mary Collins, whose birthday is Jan. 2, and Hugh Fox and Sam Archer, whose birthdays are the 5th and 7th respectively, has a complex nature of many talents. These people are natives of Capricorn, the sea-goat and he rules their future. People born under the sign of Capricorn are destined to be excellent thinkers. The students should watch the choice of mates, but they will be successful home-makers.

The next group, born from January 10th to 19th are: Carolyn Mayfield and Arnetta Kirkpatrick, Jan. 10th, Joe Harry Roberts and Mary Ella Davis, Jan. 11, Helen Bowman, Jan. 13, Mary May Harrison, the 14, Curtis Ellison, the 17, and Sarah Thompson, Jan. 19. The main asset of these people is that they have what it takes, even if they do not succeed in everything they go at all the time. Their careers are likely to be of more importance than their home life to them. The males are inclined to be more or less bashful, while the females are just the opposite.

Students Born Under Aquarius

The students born from Jan. 20 to 29, have graded themselves too highly. They are born under the sign of Aquarius, the water bearer. These students should watch their step closely and be less proud. Their health depends on how they handle the problems of indulgence. The people born in this period are: Dora Tuck, Jan. 21, Roy Phillips, the 24, Margaret Nicholas, the 23, Doris Nelson, the 25, Chris Wooten and Joe Crowley, Jan. 29.

Mary Ella Lowe, born Jan. 29, Mary Charlotte Word, Jan. 30, Florence Root, Jan. 29, and Ruth McCreery, Jan. 31, were born in the ten-day period that holds more famous birthdays than any other. They have exceptional talents in speech, music, and art. These young ladies will probably never be married, but if so, they will have a large family.

January Calendar

Jan. 1. Emancipation Proclamation was issued by President Lincoln in 1863, freeing all negro slaves.

Jan. 6. Theodore Roosevelt, who died in 1919, was the twenty-sixth president of the United States.

Jan. 8. The Battle of New Orleans, the last battle of the War of 1812, took place after the signing of the peace treaty, Dec. 24, 1814.

Jan. 17. Benjamin Franklin, born in 1706, was one of the first great Americans, and distinguished as a scientist, author, statesman, philosopher, inventor, printer, diplomat, and humorist.

Jan. 18. Daniel Webster was born in 1783. He was one of the greatest statesmen and orators America has ever produced.

Jan. 19. Robert E. Lee was born in 1807, was commander-in-chief of the Confederate Army during the Civil War.

Jan. 21. Stonewall Jackson was shot by mistake by one of his own men, in the battle of Chancellorsville. He was born in 1824.

Jan. 29. William McKinley, born in 1843, was the twenty-fifth president of the United States.

Jan. 30. Franklin D. Roosevelt, the present president of the United States, noted for his N. R. A. Code, was born in 1882.

Help Keep Canyon Clean.

A MESSAGE FROM THE PRESIDENT

The White House, Washington.

The year 1935 ushers in an important anniversary in the life of the American people. Three hundred years ago the first American high school—the Boston Latin School—was founded. It was established in 1635 only fifteen short years after the landing of the Pilgrims. From a small beginning with one instructor and a handful of students has grown the splendid service now provided for more than 6,000,000 young Americans by 26,000 public and private high schools. These schools are developing the most precious resource of our nation, the latent intelligence of our young people. It is worth nothing that social progress in the United States is following swiftly on the heels of the remarkable expansion of educational opportunity at the high school level.

I hope that the young people of every high school in the United States will celebrate this three hundredth anniversary. I hope they will celebrate it in a manner which will bring vividly before parents and fellow townsmen the significance, the contribution and the goals of their schools.

FRANKLIN D. ROOSEVELT, November 20, 1934.

The girls won two thrilling basketball games last Friday and Saturday with Groom and Tulia respectively by a close and decisive score of 23 to 19 and 22 to 19. While the boys split their two games by winning from Groom 11 to 9 and losing to the Hornets 15 to 27.

Both the girls and boys play two games in their own gymnasium this coming Friday and Saturday for their first two home games for 1935. They will play two contenders for their own district, Vega, Friday, and Happy, Saturday. All of you basketball fans who wish to see the Eagles and Eaglettes in action be on hand tomorrow, and day after tomorrow night, we will be expecting a big crowd.

Seeing that the Sophomore girls won the Softball crown for their class, all we can say is that it was a hard earned and justly deserved title.

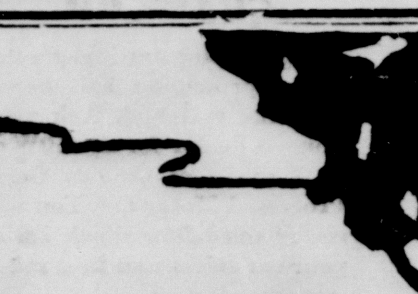

Don't forget that Friday and Saturday nights beginning at 7:30 in the grade school gymnasium the girls and boys will play the Vega team, and the Happy Cowboys, so everyone be there.

STUDENTS VISIT GOODRICH IN HOSPITAL AT LUBBOCK

Six students of the Press Club visited January 3, Miss Lois Goodrich, who was in the West Texas Hospital in Lubbock.

These students, Jack Oldham, Rube Foster, Lorene Bessire, Bill Cone, Hampton Lisle, and Sewel Cox made the trip in Sewel's car. They reported Miss Goodrich as improving nicely. She was taken to Tahoka January 4, to stay with her aunt, Mrs. A. A. Suits, until she is able to return to Canyon.

Two new girls entered school Monday. They are, Mary Ruth Harriman from Japton, Ark., entered the eighth grade, and Pauline Moore from the Daniel school, entered the ninth grade.

On Jan. 7, "Hyacinth Halvey," an Irish folk play by Lady Gregory, was presented.

"Lil Oswald and 'lil Hezekiah went walking one day, and they just walked and walked and walked until they wore the soles out of their shoes. 'Lil Hezekiah just laughed and laughed and laughed 'cause 'lil Oswald's ma had told her not to, but 'lil Oswald wore her Sunday-go-to-meetin' shoes.

Carruth Speaks In Assembly on New Year's Resolutions

New Year's resolutions was the theme of the assembly program Thursday, the first meeting of the year.

"Take time to check up on yourself and see where and how you are going," advised Superintendent I. B. Carruth in the opening of his speech to the students. He gave them four resolutions to try to follow, "Know yourself," "Believe in yourself," "Live as complete a life as possible," and "Make as many friends as possible."

Making an inventory of your characteristics and personality and believing yourself capable of doing things in order to sell yourself to the rest of the world were points brought out by Mr. Carruth in relation to the first two resolutions. The life you live now determines the life you will live later, so live as complete a life as you can, Mr. Carruth warned. In order to follow the last resolution you must be a friend.

"It is thus my opinion," concluded Mr. Carruth, "that if we can resolve and realize our resolutions to know ourselves, to believe in ourselves, to begin to live in ourselves, to begin to live now as we plan to live in the future, and to make friends, that 1935 will be one of the most profitable years in the history of our lives."

Sophs Beat Junior Girls Team 5-7 In Baseball Tourney

In a fast game Wednesday afternoon, the Sophs beat the Juniors by a score of 7 to 5 to win the softball tournament in the small gymnasium.

The Juniors were first in town and scored two points before taking the field.

The Sophs ran in two players when the ball was knocked between two steam pipes by Jean Slack. However, these scores were ruled out as not being fair to the Juniors. Even after the overruling, the Sophs ran in two tallies in this inning.

When the ball was knocked into the crowd by Betty Ruth Solomon, the Sophs ran in two more tallies. The Sophs went down without a score.

Again in the third inning the Juniors could not get a player across the home plate.

The Sophs were not able to score against the Juniors in the last part of the third inning.

The Juniors were unable to score in the fourth inning while the Sophs ran in one.

With a new burst of life the Juniors ran in two tallies in the fifth inning, whereas the Sophs failed to score.

In the sixth inning neither team was able to score.

Plays Are Given By Speech Class

Several members of the Public Speaking class of the Canyon High School presented a play to the remainder of the class on Dec. 21. A Dramatic Episode, "The Brink of Silence," by Esther.

Original cast: Cole—G. A. Lyon, Wade Johnson, Macready—Frederic B. Wright, Ralph Rusk.

Darton—Ralph Hayes, George Mayfield, Johnson—Edwin Ludwig.

On Jan. 7, "Hyacinth Halvey," an Irish folk play by Lady Gregory, was presented.

Original cast: Hyacinth Halvey—Joe Morris, James Quirke—Jackie Pitts, Fardy Farrell, a telegraph boy.

Sergeant Corden—Roland Black, Mrs. Delane, postmistress.

Miss Joyce, the Priest's housekeeper—Anna Mayo Sharpe.

On Jan. 8, "Unto Such Glory," a North Carolina folk play by Paule Greene, was presented.

Original cast: Brother Simpkins—Chris Wooten, Walt Ennis—Howard Robertson, Lonie Ennis—Vannie Robertson, Sut Maynard—Phillip Whitman.

Rowena Lockwood visited her sister, Claire, Thursday.

Miss Trucilla Carpenter of Panhandle visited Polly Little.

Speaking before a large group of teachers, and citizens of the county last Thursday, Superintendent I. B. Carruth opened the seventh step in the Curriculum Study, by introducing Mr. B. C. Shulwey, superintendent of Borger High School, who made a speech on "The Principle Grooming the Selection and Organization for the Curriculum Revision Program."

Two Types of Schools

Mr. Shulwey explained that there were two present types of school ideas, and proposed a third, more practical in his view point. Continuing he named the two kinds of schools.

1. "The Child Centered Idea," which deals solely with the child, and not with the public in general.

2. "The Society Centered Idea," which concerns, and envelopes only the public and the parents.

Child Society School

Proposing his types of school idea, Mr. Shulwey introduced "The Child Society Centered School Idea," which in his opinion will eliminate much strife and conflict between the two factions. By dealing with both the child, and the parents together there will be much better relations between the two, and will reach their accomplishments with much better results, he explained.

Invited To Europe

Incidentally and perhaps fortunately Mr. Shulwey has had a special invitation to Europe next summer by a friend in New York to be conducted by Herbert Buner and Thomas Alexander, two of the world's foremost curriculum experts.

One of the questions discussed and answered by Mr. Shulwey was: Q. Can we exclude morals and ethics in proposed plan.

A. No, we cannot eliminate moral, or ethics but must take them into consideration, and equal basis with other questions.

Second speaker on the program was Aubrey Fox, who gave a review of the book written by Stuart Chase, "The Economy of Abundance," on the future economic development of the United States.

Fox Reviews Book

Mr. Fox in his speech discussed Stuart Chase's new form of government and living conditions of our nation. Not wishing to set up a new form of government but says there must be some radical changes made in order to pull ourselves through the present depression.

Mr. Chase presents facts to show that our country is capable of producing enough raw and manufactured goods for every one in the United States to have the essentials of life if properly distributed. He further states that in the future, service to humanity will replace the selfish profit motive of business.

Carruth Comments

Direct comment from the Superintendent was:

"The meeting last Thursday night was representative study of the other interesting and instructive study programs that the public school and county teachers have been on the subject of 'Building a New Curriculum.'"

"Mr. Shulwey's discussion on the new aims and objectives was exceedingly illuminating and challenging. Mr. Fox's review of 'The Economy of Abundance,' brought to the surface the salient points and new ideas advanced by Mr. Chase, the author."

"We need a larger representation from the community to join in these meetings. Outside thought should be introduced into our study and planning. Our next meeting will be held Thursday, January 31, at 7:30."

EAGLETES PLAY HAPPY IN PRACTICE GAME WEDNESDAY

The Happy girls' basketball team played a practice game with the Eaglettes, Wednesday, Jan. 2, in the high school gymnasium.

Neither team had played a match game since the tournament at Dimmitt.

Although Happy won the game, the Canyon girls showed great improvement over their playing at Dimmitt.

Several students went to Tulia Saturday night to the ball game. They were, Anna Katherine Overton, Mary May Harrison, Jack Inman, Mabry Vandergriff, John B. Pope, Jack Middleton, Cecil O'Donald, Marie O'Donald, and Rowena Lockwood.

Grace McAfee of Amarillo is visiting Mary May Harrison.

The students of Canyon High School wish to express their appreciation to the business firms of Canyon who made the Eagles' basketball schedule possible.

Adventures, Trials, Torture, and Near Execution of "Nice"

Living today in the central part of North America, called the United States, a very busy little word suffers its abuse and adjusts itself to the very frequent changes in speech.

The name of this word is the well-known "Nice." Despite the difficulty it has, "Nice" can look back upon an interesting past. Nice was born of a Latin ancestor, Necius, meaning foolish or ignorant. This characteristic was kept from centuries before Shakespeare came to London.

When England entered the more "civilized" century, "Nice" narrowed its characteristics to foolish over trifles. Because of much misuse, the word took a different outlook of life; therefore it changed to meaning exact, discriminating.

Everyone should by all means feel sorry for poor "Nice." The only joy it experiences in this whirling century of progress is when it is called good, refined, delicate, and pure. But this one small joy doesn't begin to make up for all its abuse.

It has been ex-communicated from every good vocabulary in America. The teachers groan and sigh when anyone uses the word in a class, and even go so far as to put some other in its place. They have ceased to use "Nice" more often than necessary in books and magazines.

Punishment has been inflicted on "Nice" in the form of being cut off from high society and placed to work for the less learned.

The very sorrowful "Nice" is considering going into retirement.

Nurses Illustrate For Unit of Work

To help them in their home nursing unit of work, the second year Home Economics classes invited Helen Hickman, from the College Infirmary, and Mrs. Rose Goobie, from Dr. Neblett's office, to demonstrate home nursing.

Beds in the home, operative beds, convalescent beds, and a bed with a patient in it were the kinds of bed making demonstrated. Jewel Chambers and Evelyn Cluck acted as patients for the demonstrations. Mrs. W. H. Stroud donated a bed, mattress and bed linens for the demonstration.

HICKS GIVE PARTY

Winnie Dee Hicks was hostess to eleven guests at her home last Friday. Progressive table games were played until a late hour.

The hostess then served the guests with hot cocoa, sandwiches, and cookies. The guests were: Misses Jewel Chambers, Margaret Nicholas, Maebon Howard, Yvonne Thomas and Messrs. Thomas Ziegler, Wesley Leitner, Jack Inman, Wilfred Kennon, Chris Wooten, and the hostess.

Phillips 66 Ends Slow Starting, Stalling, Loss of Power

New Winter Grades Aid Easy Starting
Phillips 66 MOTOR OIL 30^{qt.}
In Cans... Refinery-Sealed

WHEN you get hot under the collar starting a cold motor—and it coughs and sputters and talks back to you—after which, it stalls in traffic while scornful honking urges you to get going—Then it is too late to remember that you need high test gas to avoid being a cold weather "traffic turtle."

Now is the time to make sure that your cold motor starts instantly. Just Phill-up with Phillips 66. Every drop of this greater gasoline

delivers summer pep, power, and mileage all winter long. Plus the high anti-knock of genuine Lead Tetraethyl.

Note the gravity figures below which prove that we keep stepping up the "test" of Phillips 66 as the thermometer drops. That is how our pioneer method of CONTROLLED VOLATILITY insures split-second starting in any weather. And remember, Phillips 66 costs no more than ordinary low test gasoline.

of the robbery which was unique. The robbers studied the habits of the banking officers for several days, and were well acquainted with the arrangement of the banking house. They entered the home of Mr. and Mrs. Levi Cole, assistant cashier, early in the morning, routing them out of bed and taking them to the bank where they were held until the other employees arrived. Mr. and Mrs. James Cole, Cashier W. C. Black and Sheriff John Fry were captured as they entered the building, all being bound in chairs in the director's room, with adhesive tape over their eyes. When the time lock opened the safe, Levi Cole was forced at the point of a gun to work the combination, and the two men doing the inside work got away with more than \$13,000. The robbers had about 20 minutes start before Mr. Black was able to free himself and get to the telephone. Since that time officers have trailed the men.

Dr. A. M. Meyer Will Talk to P. T. A. Meeting

The Canyon Parent Teachers' Association will meet Thursday night, January 17, at 7:30 o'clock in the High School Auditorium. Everyone interested is urged to come and the parents are especially requested to attend this meeting which promises to be one of the most interesting of the season.

Special music will be given by Mrs. L. F. Sheffy, and Dr. A. M. Meyer will speak on "Safeguarding the Child from Physical and Moral Harm." The fifth grade pupils will have a short program and a safety program will be presented.

Quattlebaum Talks About New Year at Rotary Luncheon

Rev. J. O. Quattlebaum, local Methodist pastor, was the speaker at the Canyon Rotary Club luncheon Tuesday, being invited by President Bob Jarrett to speak as a former member of the club regarding the New Year.

"1935 offers new opportunities, new fields of thought and labors," was the conclusion reached by the speaker after outlining some of the ambitions and desires of every person.

"The Rotary club is committed to a program thoroughly social in nature," stated Mr. Quattlebaum. As men start the new year, they are intensely interested in two things—personal happiness, and business success. Some men are whipped because they do not know themselves; and others are whipped because they magnify their weaknesses. Others have no intention to succeed.

To lead a positive, aggressive life, three things are necessary: look after the needs of some one besides yourself and family; take an active part in community activities, as the churches, schools, Chamber of Commerce, Rotary; keep in touch with the outside world through reading.

This nation has been passing through hard times, when it was hard to be optimistic. There is great need to look on the bright side—to look forward to the new opportunities which are offered.

Visitors present were: Judge E. C. Nelson, W. R. Adcock and Rev. Quattlebaum.

There will be no meeting of the club next Tuesday noon, as Rotarians will dine with the Chamber of Commerce at 6:45 Tuesday night in the annual banquet at the College Cafeteria.

EPISCOPAL CHURCH

There will be the usual service of evening prayer at this church next Sunday night, January 13th, at eight o'clock.

Rev. Warwick Aiken, of Plainview, will preach and conduct the service, and all interested are invited to join in our worship.

Shook Represents Largest Company For One State

Of all the indices of Texas business conditions, perhaps none offers more definite and specific proof of progress than the annual statement of a large life insurance company which for thirty-two years has done business in every nook and corner of Texas, but which writes no insurance outside of Texas.

Such a company is the Southwestern Life of Dallas, the only one of the large Texas companies which does not go outside the State for business. J. W. Shook is local representative in Canyon. It is by far the largest United States Company operating in only one state. By reporting an increase of more than fifteen millions insurance in force during 1934, the first substantial gain since 1930, this Texas institution offers significant evidence of business improvement in Texas.

A record of the Company's size for the past five years writes the history of the depression. Up to the end of 1929, the Southwestern had made large gains annually for many years, having doubled in size during the previous six years.

Early in 1930 lapses and surrenders began to be felt, and the gain during that year was small—approximately one-third of that for 1929. On December 31, 1931 the Company had less insurance in force than it had at the beginning of the year. The next year, 1932, generally conceded to be the worst for nearly all lines of business, proved the most difficult for Texas policyholders.

Notwithstanding the production of thirty-seven millions of new insurance by the Company's agents, the total volume in force fell off more than fourteen millions. Recovery commenced in 1933 when a gain of about one and a half millions was recorded. The gain of fifteen millions for 1934 has just been announced in the annual report to policyholders of President C. F. O'Donnell.

Will Irwin Talks on Newspapers at College Yesterday

"As long as discussion is free, the truth will prevail," said Will Irwin, internationally known journalist, in a lecture at the college last night.

Irwin, who is best known locally through his articles in the Saturday Evening Post, was the best known of the American correspondents during the World War and has since been recognized as a critic of international affairs.

Last night he talked upon the development of the newspaper in the United States with special emphasis on the use of propaganda since 1914. He showed that the power of the press is in the news, rather than the editorial page. "Every man who writes well must have a point of view," he said, and the point of view of a newspaper determines what its constant readers will think about public affairs.

He declared that the United States is now the only country of the world in which there is a real free press, and concluded that propaganda is not very dangerous, so long as there are enough free papers so that the truth is published in some of them. "There is a sixth sense of truth in human nature and people are finally going to learn what is so."

Will Irwin was the third attraction of the lyceum course, Ruth Bryan Owen and Lieutenant Charles Lofgren having preceded him. Other numbers to come are the Pollard Players, the Curtis String Quartet and a symphony orchestra which will be here in April.

Train Time Cut Three Hours on California Run

Faster train service was started Sunday between here and California when three hours were clipped in the running time.

The greatest change was made in No. 9 to California, when the arrival time was set at 3:06 o'clock in the afternoon instead of 3:53. This train has a faster schedule all of the way from Chicago.

The other California train, No. 22, will arrive from the west at 11:33 a. m., instead of at 11:45 a. m.

No other changes were made in the schedule of other trains.

AT CHRISTIAN CHURCH

Dr. J. A. Hill will speak Sunday morning at the Christian Church. There will be special music.

Conoco Starts Big Campaign in Canyon News

Newspaper advertising will again form the backbone of Continental Oil Company's 1935 sales promotion program, the largest in the history of the company, it was announced by R. E. Ball, Conoco's local manager, who stated that the Canyon News has been selected to carry Conoco advertising.

"Proof of the value of newspaper advertising, backed by quality products and outstanding service," said Mr. Ball, "is seen in the fact that our company during 1934 showed a gain of 65 per cent in the sale of Conoco Germ Processed Motor Oil as compared to the previous year.

"As a matter of fact, Conoco's gross sales in 1934 were better than any year since 1929—a fact that leads us to believe that general business conditions are definitely on the upgrade. Of course, Continental Oil Company hasn't just marked time, but has gone out after business, backed by a larger advertising program year after year.

"This year marks the sixtieth anniversary of Continental Oil Company, and we expect 1935 to be the best in our history."
